Re: Frequently Asked Questions and changes to re-digitised parcels

A large number of queries have recently been received on GLAS and we are working to answer these questions as quickly as possible.

Advisors may find the attached Frequently Asked Questions document useful. The document comprises queries and the answers given. This is available on the Department's website along with the scheme terms and conditions and specification. Please consult these documents in the first place, should you have any queries on the scheme, as it may take some time to receive a reply to emailed queries. Changes to re-digitised parcels scheduled to be made over this weekend will be finalised for upload to the live system overnight on 23rd/24th March.
