**Re: Appointment of Commonage Advisors**

Further to GLAS Circular 08/2015 – Explanatory Note on Commonages, please be advised that a list of Appointments Pending – Commonage Advisors has been added to the Department’s website.

In accordance with the Appointment of the Commonage Advisor for preparation of CMPs (>10ha), detailed in the above circular, the list indicates the advisors who are eligible to be appointed the Master Commonage Advisor. Where only one Commonage Advisor appears on the Appointments Pending List that advisor will be appointed should no other commonage advisor make a valid application to be assigned to that commonage by the date indicated for appointment.

The pending appointments list will be updated on an ongoing, and possibly daily, basis and the onus rests with Advisors to check on the website for updated lists.

As Commonage Advisors are approved the name will be transferred from the Appointments Pending List to the Commonage Advisors Appointed list.
