**Re: GLAS (Wild Bird Cover) and ANC**

Dear Advisor,

As per the Terms and Conditions of the Areas of Natural Constraints Scheme (ANC) which issued in May 2015, the Wild Bird Cover (WBC) action in GLAS is considered an eligible crop for the purpose of ANC.

Parcels declared on the Basic Payment/Areas of Natural Constraints Scheme application form with a crop category of WBC have in many instances already been paid ANC or where outstanding issues are preventing the issuing of payment will be due to be paid on resolution of such issues.
